## THE FRONT DOOR MOVED!

Once upon a time, not so many years ago, everyone knew where to find a church's front door. The front door faced the street, and often one needed to climb imposing, concrete steps to get in. Members of the congregation knew there was an easier access to the building--usually a smaller door, off to the side or close to the parking lot. The large front doors were used on special occasions--like weddings or funerals. On more routine Sundays or during the week, most everyone used the smaller doors.

This isn't just a phenomena in the history of Pilgrim Congregational Church. It's the story of many, many church edifices built in the late 1800's and early to mid 1900's.

Today's culture has moved the front door away from the building and onto the internet. For most visitors and guests, the "front door" is the church's website. It's a point of entry for those curious about a congregation's life and practice. The physical building is more like the old side door which provides entry into the life of the gathered community.

But even that has changed. People enter the community through many different doorways; sometimes through a shared passion for justice, sometimes through hands on volunteer work; sometimes through recreational or fellowship groups; sometimes through participation in non-church events held in a congregation's building.

The ministry of extravagant welcoming is both easier than it used to be and at the same time a bit more complex. Easier—because there are so many opportunities to welcome. More complex—because there are such varieties of opportunities. Thriving congregations pay close attention to many small steps that contribute to a general atmosphere of welcome and can move guests and visitors from curious seekers to involved members.

This Sunday during the second hour, Charlotte will give an overview of the welcome extended at Pilgrim. Come and learn how what we each do adds to the whole. It might be helpful if a few Pilgrims choose to become a Welcoming Team, particularly during the interim period. There are ways to keep Pilgrim growing even during the upcoming time of transition!

Whoever you are, and wherever you are on life's journey, you are welcome here!

## 2014 STEWARDSHIP THEME: BLESSED TO BE A BLESSING

"Blessed To Be A Blessing" is our stewardship theme for this year. As we enter this, autumn period and our Pilgrim Church family gathers, we are blessed to have this family, the old, the young, and the new. We hope we can all be thankful for those things which bring us together at Pilgrim. Our joy comes with our church surroundings: the people, both adults and children; the activities, including services, church school, meals and events like "Hogwarts." Through Pilgrim we are involved in the greater community, participating in and making donations to services that reach out to others, including CHUM, Meals on Wheels, and the Food Shelf.

As you receive your stewardship campaign material, contemplate the blessings and the joy you find in being a part of our church community. It is blessed to give, as well as to contribute to this community. Please keep these blessings in mind as you decide on your pledge and contribution to our congregation.

*Blessed* TO BE A BLESSING.

"...all peoples on earth will be blessed through you"

**NEIGHBORS IN NEED**

On Sunday, October 19 the Neighbors In Need offering will be dedicated. Neighbors in Need (NIN) is a special mission offering of the United Church of Christ that supports ministries of justice and compassion throughout the United States. One-third of NIN funds support the Council for American Indian Ministry (CAIM). The UCC's Justice and Witness Ministries (JWM) support a variety of justice initiatives, advocacy efforts, and direct service projects using the other two-thirds of the offering.

Priority will be given to grant requests that focus on public education and literacy. Local congregations are urged to establish partnerships with local schools, tutor or read to students, and help increase literacy. Education is one important key to establishing justice in our society.

**INTERIM MINISTER TASK FORCE**

The Church Council appointed Steve Cushing, Nate Stumme and Diane Desotelle to serve as an interim minister task force. They will begin the process of selecting an interim minister shortly. Once an interim is secured, the congregation will have the opportunity to elect a Search Committee whose job will include compiling a study of the congregation and searching for a candidate.

**PACT TV REGULAR BROADCAST**

Pilgrim's regular broadcasts on Channel 180 (Note channel Change) are Wednesdays, 3:30-4:30 pm and Thursdays, 7:00-8:00 am. repeated at 8:30-9:30 pm.

Oct. 1 and 2 "What if the Messiah Came" by the Rev. Charlotte Frantz from September 14, 2014

October 8 and 9 "A Voice Through the Ages" by Art Clyde from September 21, 2014

Because there is only a 3 week time in between the service and the airing on PACT TV, the remaining services will follow in sequence.

**2ND HOUR SEPTEMBER 28  
EXTRAVAGANT WELCOME**

Membership and Growth Committee invite Communications Committee, Worship and Arts Committee, Building and Finance Committee and members of the congregation to a meeting to learn about growth strategies and what is already happening at Pilgrim. Charlotte will walk us through the "big picture" as it is spread out in different groups. Developing a strategy for church growth is a big goal and this is an opportunity for us all to get on the same page so we can move forward together.

**2ND HOUR OCTOBER 5  
GUATEMALA 2015**

Pilgrim's next service learning trip to Guatemala will be June 7-14, 2015. As in the past, our team will be working with Common Hope, a community development agency based in Antigua, Guatemala. Work includes visiting village classrooms, providing activities and tutoring in afterschool programs, making home visits to children sponsored by Pilgrim households, and building a home for a family.

Accommodations are in the Common Hope Community Center and meals are provided. Team members do not need to be members of Pilgrim—so if you have a friend interested in making the trip with us, offer the invitation.

On October 5, the 2nd hour will include information about past trips and plans for this upcoming trip. The Social Justice Ministry will help with some fund raising for Common Hope—which is part of our commitment in sending a team.

**SANCTUARY IMPROVEMENTS**

No, it's not your imagination. The sanctuary is brighter and the sound system is much improved! Bret Pence, Harlan Stech, Steve Grindy, Melanie Grune and Oneida staff changed out all the sanctuary light bulbs so that the lighting is more efficient and brighter. Jim Drake, John Hinnners, and Steve Grindy installed new speakers made possible with a gift from Mary Olin. Jim Drake, Steve Cushing and Harlan Stech now use a sound board to control amplification of each speaker and portion of the service. Our many, many thanks for the dedicated work which has improved the sanctuary.

**PARISH POSTS**

Thank you to **Ted and Triss Harwood** on the landscaping, weeding and trimming they did on the Pilgrim grounds recently.

Dear Friends,

We were happy to receive the donation of the Kids Against Hunger Packets-a total of 554 pounds. It will help us to meet the increase in requests from people who are having a hard time feeding their families.

Meg Kerns, Distribution Services Director CHUM

**ENERGY UPDATE AND WEATHERIZATION PARTY - FALL 2014**

We are currently on the home stretch of the various energy improvements to our building in 2014. Modifications to the heating system were completed in early Sept., which will allow us to automatically set back our various thermostats. Lighting upgrades continue, the most visible of which was switching the sanctuary chandelier lights to LED lights in early September. Lighting projects should be completed by mid-October, after which we'll be finalizing our utility rebates. After 2 years of our audit process, we are expecting to reduce our electric, gas, and water use by 30-35% from 2012 levels, which should eventually save us over \$12000/year in utility costs! Stay tuned for project completion details in November!

**Pilgrim Weatherization Party** – You know it, you just don't want to admit it; winter is coming! Don't let that get you down, come join us at Pilgrim for food, fun, and caulking on **November 2, from 1-4pm**, to help make our church more comfortable during the cold weather. Mark it down on your calendar today and give the gift of warmth to your fellow Pilgrims for the holiday season!

**WOMEN'S BOOK GROUP**

The group met in September to consider new titles for the year. The following titles will be covered in the next few months:

October 20 Babbitt by Sinclair Lewis (Diane will facilitate, Jane will provide the treat)

November 17 The Unlikely Pilgrimage by Rachel Joyce

December 15: Brain: the Man Who Wrote the Book that Changed the World by Dermot Davis

We will meet at church from 6:30-8 or 8:30. You are welcome to come even if you haven't completed the book!

If you did not receive a complete list of the titles for October-August, let me know and I will send one to you.

**STEVE O'NEIL APARTMENTS**

**Creating a culturally diverse community that keeps the well-being of children and their families at the very center of community life.** In late December, families will start moving into the Steve O'Neil Apartments. Most will have experienced long-term or chronic homelessness. When families open the door to their new home, we want them to find comfortable beds, well-stocked kitchens, and a table and chairs for family meals. CHUM is asking member congregations to join in this expression of generosity and compassion

Currently the Council and Social Justice Ministry is considering how Pilgrim as a church will make a donation toward the furnishings project. Watch for further information later this month or in the next newsletter.

**WHO IS DAYANI CRISTAL?  
AND OUR FOCUS FOR THE YEAR...**

The Social Justice Ministry has decided to do a yearlong focus on the issue of "Immigration." We are in the process of developing programming related to this theme. As part of this programming, we are offering a special evening at the Zinema 2 Theatre on **Monday, November 3 from 7-9 p.m.** co-sponsored by Peace Church. We will have a screening of the award winning film "*Who is Dayani Crista!*" followed by a discussion led by Rev. John Guttermann who will be joining us from the Twin Cities. The evening is free of charge. The film is about the attempt to identify one of the "illegal immigrants" whose body was found in the Arizona desert and trace back to try and discover how and why it was that he came to that place. It promises to be a movie that will generate interesting discussion.

We invite you to watch the movie trailer on this website <http://whoisdayanicristal.com/> and please put the evening on your calendar.

**25TH ORGAN ANNIVERSARY**

The Twenty-Fifth Jaeckel Opus 11 Anniversary Recital celebration was a spectacular night! Dr. Jesse Eschbach began the program with the very same pieces that were played at the Inaugural recital twenty-five years ago that the late Marie Claire Alain played. Then, Dr. Jesse Eschbach put the organ through its paces by playing twentieth century French music, and the newly composed work by Stephen Harlos. This celebration was in made possible by the Fifield family in memory of their mother, Nancy. Thank you to Lauri Cushing, Melanie Grune, and Tiss Harwood who helped with the reception, Bianca Aspin and Sun Ny Vang for ushering and to Jean Jacobson and Ann Jenkins for selling the tickets. Thanks to everyone for helping to get the word out about the event!

**UNITED CAMPUS MINISTRY 50 CENT SALE SATURDAY**

We are off and running at UMD! With a record breaking amount of freshmen this year, we welcomed students back Labor Day weekend. We saw so many new faces, and many familiar faces as well, at the Activities Fair and Community Fair. We again are offering our Monday night "Dinner for a Dollar" meals with our friends Lutheran Campus Ministry. We had 18 students our first Monday! This ministry allows us to provide a nutritious meal to students, which are one of the groups of people in our country that eat the worst due to time restraints and low budgets. Dollar Dinners are also a hands on way for you, our supporting local congregations, to get involved with UCM. Your group makes the meal and then can come serve and eat dinner with the students. It is a great way to connect students to the community and get them involved with a local congregation.

We are also hard at work fundraising! We only have enough funds to support this ministry for another year...and that is only employing our campus minister at fifteen hours a week. We desperately need prayers and money to keep going and perhaps reach our dream of funding a full time campus minister. We have sent out letters to individual donors and also put on our 2nd annual 50 cent sale. Last year we made close to \$1000 and hope to surpass that this year! If you would like to donate to this vital ministry please send donations to our mailing address made out to United Campus Ministry and sent to Hope UMC, 301 W. St. Marie St. Duluth MN 55803.

Blessings, Cynthia
