

Spring 2017 Parent Letter for Parents with infants through preschool

Dear Pilgrim Families,

I hope the start of 2017 has been a good one! This spring we have a couple of opportunities for your little ones to participate in worship. We have two pageant-type services that your children, even the infants can dress up, move around, and play while we are telling a bible story!

Sunday, February 19th: Noah's Ark Story

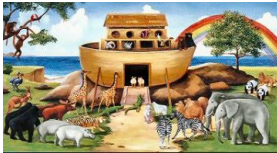

Joyful Noise and our youngest children will be telling the story of Noah's Ark with the Bellissimo Handbell Choir. The children will be dressing up as the Ark animals and helping with an epic rainstorm on hand drums! Parents with infants and toddlers will accompany their children so that they are comfortable!

Rehearsals:

Sunday, February 11th: 11:00-11:30 am

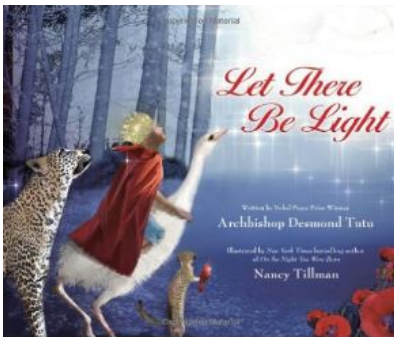

Sunday, February 19th: 9:15-9:45 am

Performance on Sunday, February 19th during worship!

Sunday, April 23rd: Earth Day Celebration

Joyful Noise and our youngest children will be telling the story the creation story based on the beautiful book, "Let There Be Light" by Archbishop Desmond Tutu and Nancy Tillman. The children will be using puppets, large scarves, and movement to help bring this story to life!
